TOPIC: CA031101

Romance Literature [Form A]

1. Select and discuss two Romantic period authors and a common theme found in both of their works. How do these student samples relate author adaptations?

Upon review of the student samples, the students comprehend that adaptation is a way ... knowledge that can be built upon throughout the lessons.

[End of Candidate Response]

TOPIC: CA031102

Romance Literature [Form A]

2. Discuss the authors described in the first question in terms of their societal or historical impact. How would students be taught to appreciate these impacts?

Before beginning, I would have the students arranged in cooperative groups of four. To introduce the lesson, I would have each lab table (each ... By using the students themselves to introduce the lesson, I hope to gain understanding of how we are affected by science as well. [End of Candidate Response]
